To whom it may concern,

As the Managing Member of Hummel Construction and Development a Commercial | Industrial | Agriculture General Contracting firm. I am pleased to write this letter of recommendation on behalf of Continental Door Company.

A variety of people at Hummel Construction and myself have had the pleasure of working with Continental Door Company on several projects over the 5 plus years of service to our company. On every occasion Continental Door continues to impress us with their support for our Design Build projects, product selections, and pricing. More importantly they continue to perform at a high level with not only the quality of work but timeliness and professionalism.

I highly recommend Continental Door Company for any project. If you have any further questions, please do not hesitate to call me. Thanks.

Sincerely,

Hummel Construction and Development

James Hummel
