Continental Door Company- Marc Morse
1430 E. Hillsboro Ste B-102
Pasco, WA 99301

RE: Referral Letter

To Whom it may concern,

I am the Senior Project Manager at POW Contracting located in Pasco, WA. This letter serves as a full recommendation of Continental Door Company to any potential and future clients seeking their services.

I have worked with Norm and Marc Morse for over a decade. They have become POW Contracting's preferred overhead door company. Their bids are always fair, competitive, complete and very easy to understand. And while working with them on projects, their level of service surpasses others that I have worked with from time to time. From the owner, to the project managers, to sales reps, to their service technicians; everyone goes above and beyond my expectations. I fully give my recommendation to Continental Door Company.

POW Contracting recently started to do some upgrades on our shop, and I didn't even think twice about who I was going to hire. They were in and out in less than a day and never interrupted our operations. They did great work, see some before and after pictures below.

Sincerely,

Scott Seguin
Project Manager/Estimator
